OUR IDEOLOGY

In an industry where some sellers focus on innovation, the other few choose to concentrate on variety, Exotica has adopted a holistic strategy of encompassing all the attributes of the product. Exotica epitomizes consumer-first approach with an enduring combination of innovation, unique variety and quality.

Since its inception in 2011, Exotica tiles, based at Morbi in Gujarat, is one of the pioneer and dominant manufacturers cum exporters of premium glazed vitrified tiles.

Exotica has state-of-the-art manufacturing facility with latest technology machinery imported from Italy, Spain and China. At Exotica, we believe in providing superior quality and services, further strengthening our relationship with consumers.

In tandem with an increasing demand of vitrified tiles, we have an installed capacity of 30,000 sq.m./day of GVT, PGVT and Double Charge tiles spread across a humongous 25 acres land. We have collaborated with the largest Italian conglomerate, Sacmi for its press technology and installed System digital printing machine, which helps us yield innovative tiles with stunning designs and excellent quality. We constantly emphasize on new product development catering the dynamic and unique taste of our consumers.
